# PC PARTS FOR A

## WHY I CHOOSE A GAMING PC

I feel that gaming has improved over the years and keeps on improving. Overall I think gaming is great for anything.

## WHAT STORES I USED

Mostly I used Bestbuy or ASUS. I mainly used parts from those stores.

## WHAT PARTS I USED

Intel Core i5-8600K Base clock: 3.6GHz  
| Boost clock: 4.30GHz
